Dear Parents

Polite Notices

For Health and Safety reasons, please can we discourage you from bringing your dogs to school as they are not allowed on School (LCC) property. On the occasions that you have to bring your dogs to school please leave them in your car until you have collected your child from their usual place. We have children in school who have allergies and some who are fearful of dogs and we do not wish to cause them any distress.

Under current circumstances we are keeping the one way system around school at the beginning and end of our school day and we would ask that you please keep to the path down the side of school at the back and not wander into the car park as this is a public road and we would not want any harm to come to any of our school families.

Thank you for your understanding in this matter.

Miss C Halstead
Associate Headteacher
