Dear Parents,

I wanted to contact you regarding the current disruption of food supplies which are having a knock on effect in schools. As you will be aware this is a nationally evolving situation. We expect to see disruption to food supplies and delivery consistency over the coming weeks and months. Whilst we would ordinarily endeavour to ensure that the full published menu is available daily, the wider issues associated with food supplies and deliveries means that we may not be able to produce the published menu as consistently as normal.

Unit Catering Supervisors have been asked to communicate any shortages with our office directly and to agree suitable substitutions where necessary. In order to keep you updated in school we will endeavour to inform you the day before (as always the menu will be in the window next to the front door) if the following day choices from the published LCC menu have needed to be changed.

Many thanks for your understanding.
