

River Model	River Poetry	Expressive Art
Design and make a 3D model of a river, from source to mouth. Can you label it with its different features too? e.g. ox bow lake, meander...	Read some poems about a rivers journey (find on internet) and see if you can write an acrostic poem, a shape poem or your own river journey poem.	Create a piece of artwork around the human heart. Be as creative as you like. E.g. - Create your own cartoon strip that shows how blood journeys through the body. - Make a collage showing healthy living using different materials. Challenge - Add to the collage to create depth in your piece
Out and about	KS2 Homework – Spring 1 2023 Rivers/Keeping Healthy Choose four of the activities to complete each week. Hand in on <u>Monday 4th February</u>	River Graph
Try a new sport, activity or hobby and present what it was like, what the best part was and what you weren't so keen on. Take photographs of health and fitness outside of school. Think about how you can present your photographs.		A rivers depth relies on rainfall. Make a rain gauge and keep a record of how much rain falls over 3 weeks. Produce a table and graph to show your results. 
Poster	Design a food product	Local Rivers
Create a poster using IT to alert people to the dangers of an unhealthy diet.	Make a package for a new healthy cereal bar. Don't forget to: Design the name/ packaging Add nutritional info	Complete some local research and find out which rivers flow through Lancashire and where do they go to? Can you make a fact file about them?
Please also continue:		
<u>Home Reading</u> At least twice a week. Please sign the reading record each time. 	<u>Spellings</u> Please practise your weekly spelling lists. Take note of the rules. 	<u>Maths</u> Continue to practise timestables on TT Rockstars. You may also be given a worksheet to complete.
